In re Application of

Wayne Douglas Trantow

Application No. 10/777,568

Filing Date: February 12, 2004

Attorney Docket No. 1628-3664

This is a decision on the petition under 37 CFR 1.137(b), filed September 5, 2007, to revive the above-identified application.

The petition is **GRANTED**.

The above-cited application became abandoned for failure to reply in a timely manner to the restriction/election requirement mailed February 21, 2006, which set a shortened period for reply of one (1) month from its mailing date. No extensions of time were obtained within the allowable period. Accordingly, the application became abandoned on March 22, 2006. A Notice of Abandonment was mailed on September 18, 2006.

The election filed September 5, 2007, is noted.

It is not apparent whether the person signing the statement of unintentional delay was in a position to have firsthand or direct knowledge of the facts and circumstances of the delay at issue. Nevertheless, such statement is being treated as having been made as the result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

There is no indication that the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute the above-identified application. The declaration under 37 CFR 1.63 filed September 5, 2007, appoints and attorney, but does not revoke the previous power of attorney granted. If the person signing the instant petition desires to receive future correspondence regarding this

application, the appropriate power of attorney or authorization of agent must be submitted. While a courtesy copy of this decision is being mailed to the person signing the instant petition, all future correspondence will be directed to the address of currently of record until such time as appropriate instructions are received to the contrary.

The application is being forwarded to Technology Center 3700, GAU 3711 for further processing.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3222.
